3 PATIENT AUTHORIZATION STATEMENT

My signature below certifies that I have read, understand, and agree to the Patient Authorization Statement below and on page 2.

SIGN HERE **Patient Signature:** _____ **Date:** ____ /____ /_____

OR

SIGN HERE **Authorized Representative Signature:** _____ **Date:** ____ /____ /_____

I am signing on behalf of the patient, and I affirm that I have the legal right to do so, through a valid power of attorney to act on behalf of the patient.

My signature on this form authorizes my doctor(s), healthcare providers, health plan or payer, and my pharmacy to disclose to Sobi Inc. ("Company") and its third party suppliers, vendors, and other service providers supporting Doptelet Connect (collectively, the "Service Providers") information about me (for example, my name, address, insurance policy number, and income) and my medical condition (for example, my diagnosis or medications) (together, "Protected Health Information and/or Personally Identifiable Information"). This Personally Identifiable Information can include spoken or written facts about my health and insurance benefits. It can include copies of records from my healthcare providers or health plans about my health or healthcare. I understand that my healthcare providers and my pharmacy may receive remuneration, or payment, for disclosing my information pursuant to this Authorization.

I understand that Service Providers may be compensated by Sobi. The Service Providers will use and give out my information to (i) assist in my enrollment in Doptelet Connect and to contact me and/or the person legally authorized to sign on my behalf; (ii) provide me and/or the person legally authorized to sign on my behalf with educational material and other information materials related to the Doptelet Connect offerings; (iii) verify, investigate, assist with, and coordinate my coverage for Doptelet® (avatrombopag) with my payer; (iv) coordinate prescription fulfillment; (v) assess my eligibility for patient assistance and/or benefits, if necessary and applicable; and (vi) assist with analyses of the efficiencies and performance of services provided by Service Providers. *(continued on page 2)*

3 PATIENT AUTHORIZATION STATEMENT (continued)

In some instances, the Service Providers may de-identify my information and use or disclose the de-identified information (in individual or aggregated form) for any legitimate business purposes. I understand that the Service Providers will make reasonable efforts to keep my information private; however, I understand that once my information has been disclosed to the Service Providers, how the Service Providers further disclose my information may no longer be protected under federal and state privacy laws.

This Authorization will last for three (3) years from the date of my signature or until I am no longer receiving Doptelet® (avatrombopag) or enrolled in Doptelet Connect, whichever is later, unless a shorter period is mandated by state law. I understand that I do not have to sign this Authorization, but if I do not, I may not be able to have my insurance coverage verified, have alternate sources of assistance researched, or access other support provided by or on behalf of Doptelet Connect. My choice as to whether to sign this form will not change the way my doctors, healthcare providers, or payers treat me. If I no longer wish to participate in Doptelet Connect, I shall inform Doptelet Connect in writing that I do not want them to share any more information with the Service Providers, but it will not change any actions that took place before I told them. I have the right to revoke or cancel this Authorization, in writing, at any time by providing written notice to Doptelet Connect at PO Box 592188, Orlando, FL 32859. Cancellation of this Authorization will be valid when received by the administrators of Doptelet Connect. I understand that a cancellation is not effective to the extent that any person or entity has already acted in reliance on my authorization. I know I have a right to see or request a copy of the information my healthcare providers or payers have given to the Service Providers.

If I am being evaluated for assistance under the Doptelet Patient Assistance Program (PAP), I agree to allow Service Providers to use my demographic information, including, but not limited to, my Social Security number, date of birth, name, and/or address as needed to access my credit information and information derived from public and other sources, including information from a consumer reporting agency (credit bureau), to estimate my income in conjunction with the eligibility determination process performed in reviewing eligibility under the PAP. Service Providers reserve the right to ask for additional documents and information at any time. If I am eligible to participate in the Doptelet PAP I understand that: (i) continued enrollment in the PAP is not guaranteed, (ii) re-enrollment is not automatic, (iii) I cannot submit a claim or seek reimbursement or credit for product I receive under the Doptelet PAP from my insurance provider or payer, and (iv) no payer, third party, or patient may be charged for PAP product provided under the PAP program. I agree to notify my healthcare providers if I become aware in the future of changes that would affect my eligibility, including, but not limited to, changes in health insurance status or coverage, financial status, and United States residency.

I agree to allow Service Providers to contact me via email or cell phone using the contact information provided in this form, unless I otherwise inform Doptelet Connect that I do not wish to receive text messages. I understand that receiving text messages is optional and I can participate in Doptelet Connect without agreeing to receive text messages. I understand that by providing my cell phone number on this form I agree to receive text messages with the following conditions:

- Service Providers may send an autodialed pre-recorded text message (standard text message and data rates apply).
- I can opt out at any time by calling 1-833-368-2663 or replying "STOP" to the text messages.
- Service Providers are not responsible if a communication is not delivered due to technical difficulties like server issues, phone carrier outages, or discontinued service.
- I am aware that anyone who can open or have access to my phone might see the text messages.
- If my mobile operator is not participating in text messaging services, I will not receive text messages.
- I CANNOT report product complaints or adverse events (like side effects) by text message. To report these, please call Doptelet Connect at 1-833-368-2663.

This Authorization Statement is governed by and interpreted in accordance with the laws of the state of Massachusetts, excluding Massachusetts conflict of law rules, and applicable federal law.
